Introducing our 2020-2021 Board of Directors

A huge and heartfelt "thank you" from all of us to the Sherwood Family for carrying on the tradition and providing us with a spectacular fireworks display on July 4th. It was one of the best ever!

While it was disappointing that we could not gather for our annual meeting and picnic, the fantastic display of fireworks was certainly a welcome celebration.

I'm pretty sure that the Tilly family had the best view from the back side of the lake, as evidenced by David's sharing of the photo below.
